Lions Club _____
District _____
E mail _____

TLERC Mission is to provide free frames for children, to any club participating in the Children Eyeglass program. The initial number of frames submitted would depend on the number of children the Lions Club expects to serve. The initial number will be five frames for each child to choose from. Lions Clubs would make a new request for frames depending on the stock that they have on hand and what they expect to serve for a new year or as their supply lessens.
